4. Available swing out driver's tray on L-console
5. Available electric bay storage tray
6. Improved bay storage
7. New interior dash and interior upgrades and look

Chassis Specifications

- **Prevost® XLII double slide chassis:** Combination of stainless steel and high tensile steel integral body/frame with a stainless steel exterior
- **Exterior length:** 45'
- **Exterior clearance height:** 12' 11"
- **Exterior width:** 102"
- **Finished interior height:** 84"
- **Wheelbase:** 315"
- Full height windshield
- Thermal pane seamless windows
- Two thermal windows in bedroom equipped with electric control open/shut feature
- Four windows on each side in living room area
- Useable floor length - completely flat (no wheel humps): 37.75'
- **Entrance door width:** 30"
- **Entrance step height:** 15"
- Turning radius 41.75'
- Integral structure (stainless steel and rust-protected high tensile steel)
- Stainless steel outer shell (up to window level)
- **Fuel capacity:** 208 gallons (dual fills, driver and passenger sides)

- **GVWR:** 54,500 lbs
 - Front axle: 18,000 lbs GAWR
 - Drive axle: 22,500 lbs GAWR
 - Tag axle: 14,000 lbs GAWR
- Driver's A/C, heating and defrost system
- Heating/cooling/defrost unit with variable speed fan in dash
 - 37,000 BTU heating
 - 22,000 BTU cooling
- Engine oil and coolant level reserve tanks
- Fuel filter and water separator with dash warning light
- Engine block heater
- Pantograph windshield wipers with delay and washers
- Spare parts kit
- Rivet-less stainless steel exterior
- **Trailer hitch receiver:** 20,000-lb (tow capacity)/1,500-lb (tongue weight)
- Two docking/cornering lights on each side
- Two fog lights
- Tag axle extend and retract control panel
- Mud flap between tag wheels and drive wheels with stainless steel trim
- Emergency road kit

Powertrain

- DDEC IV Series 60, 14L (515HP) with 3-speed engine cooling fan (controlled by an in-line thermostatic clutch)
- Allison® World HD4060 6-speed automatic transmission
- Cruise control
- Jake Brake® two-stage engine brake
- Allison hydraulic transmission output retarder

Brakes

- Antilock braking system (ABS)
- Heavy-duty disc brakes (all wheels)
- Front wheels brake boosters: Type 27
- Drive wheels brake boosters: Type 24-24
- Tag wheels brake boosters: Type 14-16
- Parking brake booster on tag wheels
- Automatic brake slack adjusters

Steering and Suspension

- **Steering:** Ross® full hydraulic integrated power steering with tilt and telescoping column

- ZF® power steering (variable assistance)
- Independent suspension system
- Front and drive axle anti-sway bars
- 56° Turning angle
- Lifiable tag axle
- Automatic self-leveling system (coach in-motion)
- Integrated pneumatic level-low leveling system (coach in-station)

Tires and Wheels

- **Drive tires:** Michelin® 315/80R x 22.5" (four)
- **Front and tag tires:** Michelin 365/70R x 22.5" (four)
- **Front and tag rims:** aluminum 22.5" x 10.5" (four)
- **Drive rims:** aluminum 22.5" x 9" (four)

Electrical

- Belt-driven 24 VDC 500-amp alternator and 75-amp alternator, 24-volt (chassis batteries)
- House batteries wired for 24-volt service
- Multiplex chassis wiring system
- Four chassis batteries
- 12-volt exterior lighting
- 12/24-volt for mechanical systems

Installed Equipment

- Ramco® chrome electric remote heated side-view mirrors (flat glass with separate convex on top)
- Entry and bay door locking system
- Low-fuel warning light
- Thermal/sound insulation coats entire shell interior (1.5" thick)
- Courtesy lights blinker switch
- Courtesy light group (engine and under floor compartments)
- Spare parts kit
- SmarTire® II tire monitoring system

Slide-Out Room

Special Features

- Visual absence of pistons and other mechanical parts
- Computerized electronic control module for fully automated operation

- Rocker switch slide activation control with 24 VDC electric motor with speed reducer plus hexagonal plug for emergency operation
- Aluminum integral structure room construction for lower weight and greater strength, adding less than 1,500 lbs to the total shell weight
- Aircraft-type inflatable twin-blade wiper seal all around the slide-out partition which cleans the slide-out lateral skin during retraction
- **Front slide-out dimensions:**
 - Interior: 14'2" x 2'6" x 6'2"
 - Exterior: 14'6" x 2'6" x 6'6"
- **Rear slide-out dimensions:**
 - Interior: 7'2" x 2' x 4'11"
 - Exterior: 7'6" x 2' x 5'4"

General Conveniences

- Crestron® controls with wireless remote touch-screen(s)
- Spyder Controls™ touch-pads
- Solid-surface counter and table tops
- Cabinet liner in drawers and shelves
- Electric window shades
- **Main switches for:**
 - Fresh-water fill
 - Fresh-water drain
 - HeadHunter water pump
 - Generator start/stop
- 12-volt recessed lighting throughout
- 120-volt wall sconces on dimmers (location varies by floorplan)
- Ultraleather®/Ultrasuede® vinyl tiered ceiling with custom mirrored accent
- Fabric-covered living room window boxes with mood lights around openings, electric window shades and fabric covered valances
- Fabric-covered dinette window box with mood lights around opening and electric window shades
- Multiple windowbox choices
- Wall-to-wall fabric-covered valance in bedroom with electric window shades
- Carpeting with 5.5 lb, 7/16" thick rebond carpet pad
- Tiled entry landing, galley and bath floors
- Custom tile transitions from galley to entry area
- 40" LCD high definition TV in overhead dash with home theater system

- 26" LCD TV in living room
- Power distribution, A/C controls, meters, floor heat, TV antenna, generator controls and gauges
- Anthony Gallo Acoustic® speakers throughout with Crestron automation
- DVD player
- VCR
- In-motion satellite dish
- High definition satellite receiver
- Additional high definition satellite receiver
- Custom living room seating
- Door chime with LED alarm indicator
- Alarm with exterior bay and entry door sensors
- Carpeted step stool
- Portable vacuum cleaner
- Ironing board
- Smoke detector
- Carbon monoxide detector
- Fire extinguishers: (1) interior and (2) exterior
- Sculpted carpet
- Custom lighting fixtures
- Custom floorplan and/or cabinet modifications
 - Including wood veneer cabinets and wood accents
- Custom cabinetry
- Crestron controlled HVAC system
- Landline telephone jacks in living area and bedroom
- DataStorm® satellite system
- Sunscreen packages
- Custom flooring
- Sofabed
- Sofa with magazine rack/end table
- Euro design chair
- Two club chairs with end table
- Computer table
- End table with glass top
- Free-standing coffee table
- Customer Information Kit: Owner's Guide, OEM manuals

Driver Compartment Amenities

- Crestron® touch-screen bus automation
- ISRI® adjustable driver seat with lumbar support, arm rests, and head rest, covered in Ultraleather or leather

- Passenger seat: 6-way controls, electric footrest, and recliner, covered in Ultraleather® or leather
- Relaxor® massage/heated driver and passenger seats with adjustable driver headrest
- Driver's console with wrap-around storage and a solid-surface top
- Swing out driver's tray on L-console
- Passenger console with storage, drink holder, and magazine rack
- Custom contoured dash with instrumentation
- Carbon fiber steering wheel
- Ducted overhead defrost system with two-speed fan
- **Generator switch controls:**
 - Start/stop switch
 - Automatic stop switch
 - Automatic start switch
- **Digital options:**
 - Kenwood double DIN AM/FM/CD player with back-up monitor
 - Kenwood 12-disc CD player
 - Garmin GPS navigation system
 - XM weather, XM traffic, and XM radio available with subscription
- Electric sun visors/privacy shades
- Driver/passenger map lights
- HWH® auto leveling system
- Tiled entry landing and driver's area floor
- Floor-level driver/passenger controlled step cover
- Hand rail in entryway
- Storage under entry step

Galley Amenities

- Crestron® touch-screen bus automation
- Hot water dispenser
- Brew Express coffee system
- Solid-surface galley countertops with custom backsplashes
- Under mount double-bowl stainless steel sink with cover
- Galley faucet with pull-out sprayer
- Advantium® microwave/convection oven with hood
- 3-burner electric cooktop
- Custom dinette seating
- Stemware cabinet on galley overhead (varies by floorplan)

- Recessed 12-volt lighting in ceiling and bottom of galley overhead
- Mood lights in cabinet toe kicks
- Tile galley floor with radiant floor heating
- 22 cu ft refrigerator/freezer
- Thermostatically-controlled variable speed exhaust fan with rain sensor
- Roll-out trash receptacle
- 120/240-volt distribution panel with digital AC meters
- TV antenna boost
- Custom galley/dinette floor features
- Fisher & Paykel Dishdrawer® dishwasher
- Custom plumbing fixtures (galley)
- Granite Lite® countertops (galley and dinette) (price varies with floorplan)
- Granite Lite dinette tabletops
- Dinette table with facing bench seats
- U dinette booth
- L dinette booth

Bath Amenities

- Spyder Controls™ touch-pads
- Solid-surface vanity countertop with custom backsplash
- Surface-mount vanity sink with faucet
- Specialty lighting on vanity overhead
- **Vanity accessories:**
 - Toilet tissue holder
 - Three towel rings (varies with floorplan)
 - One towel bar
- Mirrored vanity
- Ariston® Gold Series stacked washer and dryer
- Headhunter Royal Flush Superbowl toilet
- Tile bathroom floor with radiant floor heating
- Custom shower with glass door, solid-surface walls, accent trim, seat, caddy holders and ceiling light (shower design varies with floorplan)
- Pressure balancing mixer valve in shower with handheld shower-head and slide-bar
- Thermostatically-controlled variable speed exhaust fan with rain sensor
- Electrically controlled fan (enclosed water closet)
- Custom bath accessories
- Custom plumbing fixtures (bath)
- Bath/water closet custom features

Bedroom Amenities

- Spyder Controls™ touch-pads
- Electric bed slide for elevated head, and additional walk-around room
- King-size bed and mattress with radius corners and under bed storage
- King-size bedspread
- Bed accent pillows
- Four overhead reading lights
- Mood lights at flooring
- Electric window shades
- Lighted rear wardrobe with closet rod (configuration varies by floorplan)
- Exterior security light switching for curb and flood lights
- Security safe
- Built-in clothes hamper (varies with floorplan)
- 37" LCD high definition TV

Heating and Cooling Systems

- Two 27,000 BTU ceiling ducted heat pump units with dual zones
- Crestron® control system for hydronic heat, air conditioning, and heat pumps with manual override
- Webasto® 45,000 BTU diesel fired hydronic heat
- Thermostatically-controlled interior hydronic heat zones
- Hydronic heated water bay compartment

Power Sources

- 12-volt domestic battery disconnect switch at entry door
- 20 kW turbocharged PTS® water-cooled diesel generator, enclosed and mounted on air bags (includes filter and water separator)
- Automatic low-voltage generator start system
- 8 kW pure sine wave inverter with charger
- Six heavy-duty, deep cycle, 8D Absorbed Glass Mat (AGM) maintenance free batteries
- House batteries wired for 24-volt service
- 50-amp shore service surge protector
- 50-amp shore power cord with adapters and extend/retract remote control

- All general purpose receptacles with GFCI protection
- Chassis battery trickle charger (24 VDC 5-amp)

Plumbing Features

- Fresh water system composed of freeze-protected cross-linked PEX tubing
- Hot/cold supply lines with point-of-use shut-off valves
- Two rapid recovery 10-gallon electric water heaters with hydronic and motoraid heating
- Electric low-point drain valves for fresh-water plumbing
- Electro/mechanical actuated double-knife valve drain assembly
- Separate sewer hose carrier compartment
- City water connection via fresh-water hose reel
- Switch controlled fresh-water fill and auto shut-off
- Water filtration system
- Black and gray water tank flush systems
- Exterior swing-out hot and cold water faucet in plumbing bay with towel holder
- 141 gallon fresh-water tank in heated bay
- 86 gallon gray-water tank in heated bay
- 86 gallon black-water tank in heated bay

Exterior Conveniences

- Custom exterior paint graphics (one-of-a kind) with two-stage base coat exterior paint and six complete clear-coat layers of high gloss finish
- 3M® front shield
- Selected Prevest® awning windows equipped with electric open/shut feature
- Zip Dee® polished encased exterior awnings with electric patio auto awning
- Zip Dee package (four chairs and holding racks)
- Exterior windshield sunscreen
- Exterior porch light
- Keyless entry with remote
- Omnidirectional TV antenna
- Cell phone antenna
- TV/cable, LAN, and landline telephone hook-up
- AM/FM antenna
- Exterior curb-side speakers
- Air horn

- Back-up alarm with manual shutoff
- 120 VAC auxiliary air compressor
- Compressed air supply connection
- Remote-control power shore cord reel
- Lighted exterior storage bays with carpet lining
- 120-volt receptacles in storage bays
- Recessed curb lights on bay doors: three roadside and three curbside (each side separately switched with dimmer)
