Pre-Hibernation Special!

The bears are getting ready for hibernation and so are we. The resort will close for the season on October 15th and the snowbirds are heading south for the winter. Before we go, we want to let you know about some exceptional deals you can get on selected lots for your Motorcoach. If you are thinking of owning your own lot in Polson, we want to help you realize your dream now! We have prices starting at \$89,000 which gives you plenty of room to add your favorite upgrades from there to customize your lot to your personal taste and be ready to move into your site in June.

Our contractor's calendar is filling up now for fall and spring work and is limited to how many jobs he can take on and complete for the upcoming 2013 season.

Let's talk soon!

Mission Valley Aquatics Center

"Fill the Pool Bowl by Bowl"

Mark it on your calendar — this is an event you don't want to miss!

On Nov. 10, 2012, Mission Valley Aquatics is auctioning off a ton of items, big and small, in an effort to pay for the construction of the new aquatic center.

Among the exciting larger items we've had donated are a residential lot on Skyview Drive in Polson and a trip for two to LA (airfare and hotel included) to watch the filming of a Live NFL on Fox pre-game show, courtesy of Howie and Diane Long.

You will find many more great things to bid on at the event including local art and services, exquisite home furnishings, ski and stay packages and Griz tickets, just to name a few!

There will be a silent auction during dinner, starting at 4 p.m. You can enjoy delicious soup prepared by our local restaurants in beautiful hand-painted bowls made by local artists and community members. The live auction will begin at 7 p.m.

[Here's the list of auction items collected so far.](#)

If you'd like to donate an item to MVA, call us at (406) 883-4567 or email mvaquatics@polson.net.

For more information you can visit their website at www.mvaquatics.org.

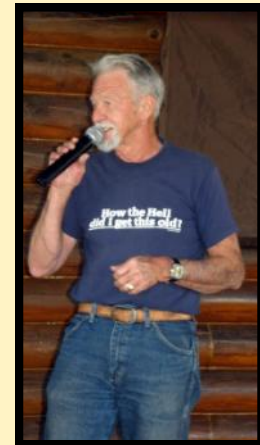

When Skyla is not busy walking dogs for resort residents, she is out at the barn near her home practicing her riding skills with her trusty horse, Sprite. The two of them have been riding in competition together for the past 3 years. Skyla has a room full of ribbons for

events she has placed in. The pictures above were taken by our staff photographer, Jan Myers who loves attending Skyla's events whenever she can. Several of the resort owners have also made the trip to Rebecca Farms in Kalispell to cheer on Skyla and Sprite.

Resort Gift Shop Discovered by Local Shoppers!

This year our resort gift shop was discovered by our local shoppers thanks to a new program offering coupon discounts throughout the season. We received many nice compliments that this was the best gift shop in town. Thanks to all of you who stopped by and checked us out. Our large variety of Montana made Huckleberry products

and Montana made award winning Bequet caramels were a big hit. The Celtic Sea Salt was by far the most popular and kept people coming back for more all summer.
