PrevoSt opens new Service Center in Houston

Sainte-Claire, QC, February 25, 2013 – PrevoSt has opened a new Service Center in Houston, Texas. The Houston facility is a new construction building providing 5400 sq. ft., including a service area with two drive-through bays. The service center is staffed with PrevoSt technicians who are certified for bumper-to-bumper maintenance and repair for all Nova Bus vehicles, and PrevoSt and Volvo Bus coaches, including Volvo engine and transmission. The facility is equipped with a controlled access fence, operational after hours, monitored by a security patrol and a video surveillance camera. The Houston Service Center is equipped with electrical hookups and is open Monday to Friday, 8:00am to 5:00pm. Carl Boulet is the branch manager of the new service center and Theodore Bruning is the service manager.
